ANNUAL REPORT (ACADEMIC SESSION 2025–26)

1. Academic Achievements

The school has consistently upheld a high standard of academic excellence. During the academic session 2025–26, a structured and student-centric approach was adopted to enhance conceptual understanding, critical thinking, and problem-solving skills.

- Remedial and enrichment classes were conducted regularly to cater to diverse learning needs.
- Continuous assessment and feedback mechanisms helped track student progress effectively.
- Smart classrooms and ICT-based teaching methodologies were extensively used.
- Special focus was given to board classes through test series, doubt-clearing sessions, and personalized mentoring.

2. Overall Results

The school achieved commendable results in both internal and board examinations.

- 100% pass result was recorded in board classes.
- A significant number of students secured distinction and first division marks.
- Several students scored above 90%, reflecting academic rigor and dedication.
- Consistent performance improvement was observed across all classes.

The results stand as a testament to the joint efforts of students, teachers, and parents.

3. Efforts in Environmental Education

Environmental awareness and sustainability remained a core focus of the school.

- Plantation drives were conducted within and outside the school campus.
- Students actively participated in campaigns on water conservation, plastic ban, and cleanliness.
- Activities such as poster-making, essay writing, and rallies were organized on environmental themes.
- Celebration of important days like World Environment Day and Earth Day created awareness among students.
- Waste management practices, including segregation and recycling, were promoted within the campus.

These initiatives helped instil a sense of responsibility towards nature among students.

4. Sports Achievements

The school emphasizes physical fitness and sportsmanship alongside academics.

- Students actively participated in inter-school and district-level competitions.
- Achievements were recorded in athletics, कबड्डी, volleyball, and indoor games.
- Regular sports periods and coaching sessions ensured skill development.
- Annual Sports Meet was organized successfully, encouraging participation and healthy competition.

The school continues to nurture talent and promote a balanced development of students.

5. Innovations and Best Practices

The school adopted several innovative practices to enhance learning outcomes:

- Integration of digital teaching tools and smart classes.
- Activity-based learning and experiential teaching methodologies.
- Introduction of peer learning and group discussions.
- Focus on life skills, value education, and communication skills.
- Regular teacher training programs and workshops for professional development.

These innovations have significantly improved student engagement and learning efficiency.

6. **PTA Activities**

The school maintains strong collaboration with parents through active PTA involvement.

- Regular Parent-Teacher Meetings (PTMs) were conducted to discuss student progress.
- Parents' feedback was collected and incorporated into school planning.
- Awareness sessions on student well-being, discipline, and career guidance were organized.
- The PTA played an important role in strengthening the school-community relationship.

7. **Important SMC Decisions**

The School Management Committee (SMC) took several key decisions during the session to improve school functioning:

- Enhancement of infrastructure and learning resources.
- Strengthening of safety and security measures within the campus.
- Implementation of environmental and cleanliness initiatives.
- Focus on improving academic outcomes and student retention.
- Approval of new policies for holistic student development.

These decisions have contributed significantly to the overall growth and progress of the institution.

Conclusion

The academic session 2025–26 has been marked by consistent growth, achievements, and innovation. The school remains committed to providing quality education and holistic development opportunities to all students.

We extend our sincere gratitude to the management, staff, parents, and students for their continuous support and cooperation.
